Fair Haven, NJ 07704

Dear Soccer Parent:

New Online Registration System

We are pleased to announce that Fair Haven Soccer has partnered with Sportssignup.com to process our applications for the fall recreation soccer program. The program will start on September 12 and run through the first week of November. All registrations for the fall program must be done online by going to our web site, fairhavensports.org/soccer and clicking on the registration icon. If you have limitations on the ability to register online, please contact Roxanne Collins at 732-747-7470.

Registration Deadline – June 20th

Please note that the deadline for registration this year is **June 20th**. This deadline must be met so that uniforms can be purchased and the number of teams determined and sent in to the league for scheduling. Last year, we received many late registrations which caused problems with the uniform order and left several teams with too many players. **A late registration fee of \$30 will be charged for registrations received after June 20th**. This year, a maximum team count of 12 players for 3rd & 4th grade and 20 players for 5th through 8th grades will be set. **Registrations for players received after each team reaches the maximum roster size will not be accepted.** The registration deadline will also apply to grades 1 and 2, but not kindergarten, as we will register them on the first day. Kindergartners can also be registered ahead of time by using Sportssignup.com.

Fees

Registration fees include the cost of the uniform, online registration and referees. For this year, they are as follows:

\$45 for each player kindergarten through second grade

\$55 for each player for grades 3-8

\$125 maximum for each family

Camps

We will be sponsoring two different camps this summer. Fair Haven's own TJ Kostecky, Head Coach at Division 1 LIU, will be conducting his Vision Training Camp the week of July 6th. NJ Select Soccer will be conducting their camp during the week of August 17th. Flyers with more information on both are available on our web site.

The volunteer leaders and coaches of Fair Haven Soccer are looking forward to this season.
